Student Organizations

Accounting Society

The Accounting Society promotes both the public and managerial accounting profession. The Accounting Society achieves this goal in several ways. First, the club provides all business and accounting students with informative speakers. These speakers keep us knowledgeable, updated, and interested in the accounting profession. Second, the club sponsors activities and various service projects such as Volunteer Income Tax Assistance Program (VITA), fundraisers and field trips.

Advertising Club

Rowan University's Ad club serves students with an interest in advertising and advertising careers. It is a college chapter of the American Advertising Federation (AAF). Rowan's chapter is now in its 31st year.

Rowan's Ad Club gives students numerous opportunities to work with advertising professionals and organizations. Ad Club students have also worked closely with the Philly Ad Club. Ad Club students regularly participate in conferences and agency tours. Rowan's Ad Club has received national awards and recognition, including a Philly Ad Club "ADDY Award."

American Marketing Association

The Rowan University Chapter of the American Marketing Association is dedicated to providing students with a profound sense of professional development through networking opportunities, advance of managerial and leadership skills, as well as building student involvement within the University and surrounding community.

Cinema Workshop

Cinema Workshop is Rowan University's student filmmaking club. We've been making movies since the 70's! Cinema Workshop offers students the opportunity to work on film, video and multimedia projects outside of the general classroom experience. After a peer-oriented pitch and approval process, Cinema Workshop provides grants in the form of goods and services through post-production, culminating in a year-end screening of frequently award-winning films and videos.

Commuters at Rowan

Engineers Without Borders

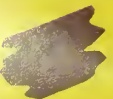

Engineers Without Borders (EWB) is a service organization offering students the opportunity to utilize their engineering knowledge and hands-on skills to solve real world problems in developing countries. The mission of EWB is to support community-driven development programs worldwide by collaborating with local partners to design and implement sustainable engineering projects, while creating transformative experiences and responsible leaders. Rowan EWB's projects include providing clean drinking water, safe transportation, clean fuel, and accessible water in El Salvador and The Gambia.

Financial Management Association

The Rowan Chapter of the Financial Management Association is dedicated to the proliferation of financial knowledge and to providing student leadership experience as well as essential insight for entering into a finance or business-related career. Our activities mainly include meetings, guest speakers, field trips, conferences, fundraisers, investment competitions, community projects and an opportunity to be inducted into the FMA National Honors Society and/or to be selected to receive the FMA Collegiate Fellow designation.

Habitat for Humanity

Kappa Delta Pi

The Eta Psi chapter of Kappa Delta Pi, International Honor Society in Education, sponsors several service projects throughout the year to promote the learning and literacy of children in the community. Their annual Literacy Alive event in the spring invites children in grades K-5 to experience how reading is fun and related to a variety of subjects and themes. This year, the Eta Psi chapter received the Achieving Chapter Excellence Award (ACE) Award for the first time. The award recognizes Kappa Delta Pi chapters that exhibit outstanding programming in support of the Society's mission and strategic goals concerning membership retention, recognition, service ideals; and professional and leadership development.

Lyrical Alliance

Lyrical Alliance is a vocal performance organization that serves to provide a creative outlet for poets, spoken word artists, singers, rappers, musicians, and other artists of that nature. The alliance runs workshops, Poetry Slams, Open Mics, and also performs at venues outside of Rowan.

Management Information Systems

The mission of the MIS program is to prepare students for careers in a rapidly changing technological world by training them to analyze business problems, challenges, and opportunities and to subsequently design, develop, implement and maintain business solutions through the use of information and information technology.

PRaction

PRaction is a student-run public relations firm parented by the award winning Anthony J. Fulginiti Chapter of the Public Relations Student Society of America (PRSSA) at Rowan University. Members expand their professional knowledge while producing high quality work for clients.

Students serve as firm executives, account executives, account managers and team members for a wide range of both paid and pro bono accounts. Students are responsible for coordinating and maintaining each account while adhering to the highest ethical and professional standards.

Public Relations Student Society of America

The Anthony J. Fulginiti Chapter of the Public Relations Student Society of America (PRSSA) at Rowan University helps students develop the portfolios, know-how and networking connections needed to succeed as professional communicators.

In its 34-year history, Rowan University's PRSSA chapter has won more than 200 national and regional awards — more than any other chapter in the nation.

Rowan Environmental Action League

REAL is a student run group that aims to increase awareness of environmental issues across Rowan University's campus and throughout Glassboro. **REAL** was formerly called **GEO**, a name that dates back to Glassboro State College.

ROTC

Founded in 2005, the Army Reserve Officer's Training Corps (ROTC) program at Rowan provides students with leadership, management and basic military skills training.

Students have the option of going on active duty after graduation or on reserve duty with the National Guard or Army. When they successfully complete their studies and ROTC training, students are commissioned as second lieutenants in the Army.

Rowan Intramural Recreational Sports Association

RIRSA demonstrates a strong commitment to community service and a strong desire to promote a healthier lifestyle for all Rowan students. RIRSA is dedicated to leadership in both recreation and advanced education. Sigma Alpha Lambda

Sigma Alpha Lambda is a National Leadership and Honors Organization dedicated to developing the individual and serving our campus and community. The mission of Sigma Alpha Lambda is to recognize members for academic achievement, to engage members in service, and to develop members for leadership. Service is the foundation of our leadership development model as well as the leadership of the organization itself. Through service, individuals look outside themselves and lives are changed, not only for the one being served but even more so for the one serving. As a result of this process, the individual learns more about who they really are and what they value.

Student Council for Exceptional Children

SCEC is the student organization component of the Council for Exceptional Children (CEC). Our organization is dedicated to volunteering with individuals with disabilities.

I would like to thank those who helped me develop the 2012 edition of The Image. Ed Ziegler and Rosie Braude, thank you for your help and support throughout the year. I was privileged to have you both as my advisors. Frank and Emmy, the yearbook would be nothing without you guys. Thank you for your continued assistance. A special thanks to Morgan Redes and Cheryl Resnick who played a huge role in the production of the 2012 yearbook.

As the University continues to move forward, it is nice to have something tangible to hold memories and allow us the opportunity to reflect and remember our time spent at Rowan.

To all of our graduating seniors, congratulations. I am proud to be a member of the class of 2012. Our hard work and dedication to our studies has paid off in the form of a valuable education and an opportunity to make tomorrow better than today. I wish you all the best of luck with your future endeavors and have absolute confidence that this class will make an ever-lasting impact on the world as we know it.

Congratulations.

"There is a good reason they call these ceremonies 'commencement exercises.' Graduation is not the end; it's the beginning."

David Roberts

Bachelor of Fine Arts in Studio Art

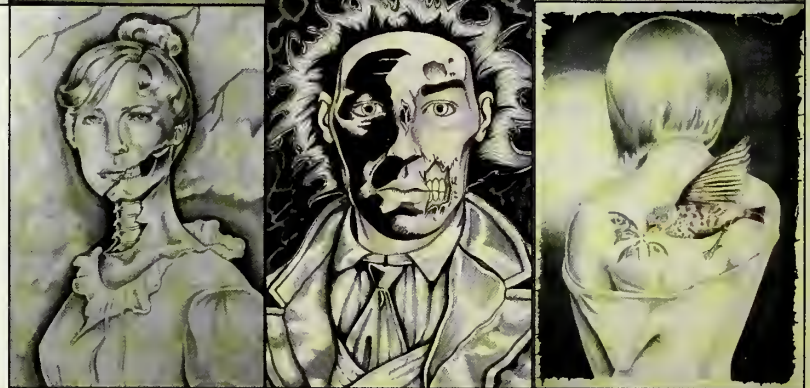

Dear David,

God has given you many wonderful gifts. The best thing you could do with those gifts is to give them back to Him and watch them multiply. When we take what we have and place it in God's hands, He receives it and transforms it into more than we could ever imagine.

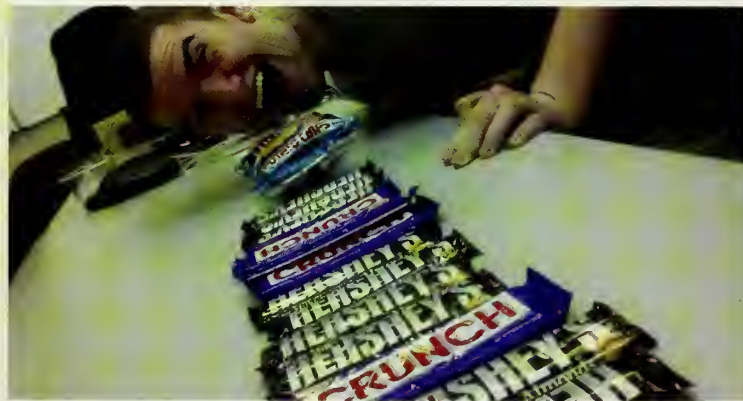

Let the Lord show you what was in His heart when He created you and placed those gifts inside of you. Nothing will bring you greater joy and fulfillment in your life than being and doing what God intended. We are so proud of you. This accomplishment is the beginning of an amazing journey.

Who you become is much more important than what you achieve.

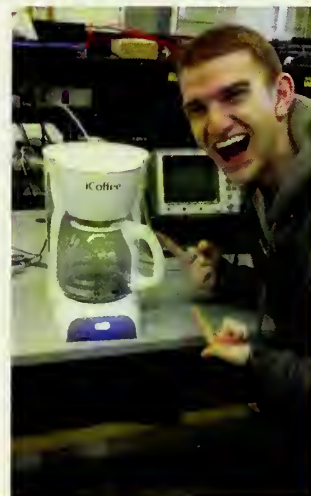

Love always,
Mom and Dad

You have brains in your head.
 You have feet in your shoes
 You can steer yourself
 any direction you choose.
 You're on your own. And you
 know what you know.
 And YOU are the guy who'll decide
 where to go.
OH! THE PLACES YOU'LL GO!
 You'll be on your way up!
 You'll be seeing great sights!
 You'll join the high fliers
 who soar to high heights.
 You won't lag behind, because
 you'll have the speed.
 You'll pass the whole gang and
 you'll soon take the lead.
 Wherever you fly, you'll be the best
 of the best.
 Wherever you go, you will top all
 the rest.
 Congrats! Extremely proud of you.
